To the shareholders of Orchard Funding Group plc

Dear Shareholder

Notice of Annual General Meeting 2019

I am pleased to give you notice of the company's annual general meeting which will be held at our offices at 721 Capability Green, Luton, Bedfordshire LU1 3LU on Thursday 12 December 2019 at 10:00am (the "AGM").

The notice convening the AGM is set out on pages 2 and 3 of this document. An explanation of each of the resolutions to be proposed at the AGM is set out on pages 4 and 5. There will be an opportunity for you to ask questions at the AGM. I would like to take this opportunity to draw your attention to the following resolutions:

Directors

The articles of association require directors to retire at the third annual meeting after they were appointed. At the previous AGM Messrs. Ravi Takhar and Liam McShane were re-elected and therefore have no need to seek re-election this year and will remain in office.

Mr Jonathan Shearman who also was re-elected at the previous AGM has decided to stand down.

I also have decided to stand down.

Mr Ketan Malde was co-opted onto the board on 1 September 2019 as a non-executive director. He offers himself for election at this AGM. His biographical details appear on page 4.

Biographical details of each of the directors at 31 July 2019, as well as Ketan Malde appear on page 17 of the annual report and accounts and are also available for viewing on the company's website <http://www.orchardfundinggroupplc.com>.

Voting Arrangements - Action to be taken

If you would like to vote on the resolutions but will not be attending the AGM, you may appoint a proxy by completing and returning the enclosed Form of Proxy in accordance with the instructions printed on it. These should be returned so as to be received by the company's registrar, Neville Registrars, Neville House, Steelpark Road, Halesowen B62 8HD as soon as possible and in any event no later than 10:00am on 10 December 2019.

Alternatively, if you hold your shares in CREST, you may appoint a proxy via the CREST system. Notice of your appointment of a proxy should reach the company's registrar, Neville Registrars, by no later than 10:00am on 10 December 2019. If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy.

Poll voting

Although the Articles of Association permit voting by a show of hands, the resolutions to be considered at the AGM will be voted on by way of a poll. This ensures that shareholders who are not able to attend the AGM, but who have appointed proxies, have their votes fully taken into account.

Recommendation

The board considers that resolutions 1 to 9 are in the best interests of the company and its shareholders as a whole and recommends that you vote in favour of such resolutions, as the directors intend to do in respect of their own beneficial holdings amounting to 11,458,333 ordinary shares (representing approximately 53.66% of the issued share capital of the company as at 14 November 2019).

Yours faithfully,

Gary Jennison

Chairman

Explanatory Notes to the Notice of Annual General Meeting

Resolutions 1 to 7 are being proposed as ordinary resolutions. For an ordinary resolution to be passed, a simple majority of the votes cast must vote in favour of the resolution.

Resolutions 8 and 9 are being proposed as special resolutions; this means that for them to be passed not less than three quarters of the votes cast must be in favour.

Resolution 1 deals with the receipt of the annual accounts for the financial year ended 31 July 2019 and the associated strategic report and reports of the directors and auditor. The annual report and accounts accompany this document.

Resolution 2 invites shareholders to approve the remuneration policy in the remuneration report on pages 15 and 16 of the company's annual report and accounts for the financial year ended 31 July 2019. Resolution 2 is an advisory vote and will not affect the way in which the company's pay policy has been implemented. Each year, shareholders will be given an advisory vote on the implementation of the company's remuneration policy in relation to the payments and, if any, share awards made to directors during the year under review.

Resolutions 3 and 4 deal with the re-appointment of RSM UK Audit LLP as auditors of the company and the authorisation of the audit committee to determine their remuneration.

Resolution 5 is to declare a final dividend of 2p per share in respect of the year ended 31 July 2019.

Resolution 6. The company's Articles require that any director appointed to the board retire and seek election by shareholders at the first AGM following appointment. In accordance with this, Mr Ketan Malde offers himself for election and the board recommends this. All directors are expected to have the balance of skills, experience, knowledge and time, necessary to carry out their roles and Mr Malde's details are shown below.

Ketan Malde:

Position: Independent non-executive director

Skills and experience: Mr Ketan Malde has more than 30 years' Board level experience in the retail and specialist banking arena. Until April 2017, he was the Executive Board Director and Chief Financial Officer of Hampshire Trust Bank plc. His previous Board roles were as Chief Operating Officer and Finance Director of Heritable Bank plc and Finance Director of Sun Bank plc. He is the Chairman of the Audit and Risk Committee and member of the Remuneration committee.

Tenure: appointed 1 September 2019.

Other current principal external appointments: Mr Malde is a director of Nesate Consultants Ltd and a nominee director of Heritable Bank plc.

Resolution 7 requests shareholders to give authority to the directors to allot shares. Resolution 7 will, if approved, give the directors authority to allot shares until the conclusion of the Annual General Meeting to be held in 2020 or 31 December 2020, whichever is the earlier. This authority is restricted to the allotment of shares having an aggregate nominal value of up to £71,180 representing approximately 1/3rd of the ordinary shares in issue at 14 November 2019. The company does not currently hold any shares in treasury. The extent of the authority follows the guidelines issued by institutional investors. There are no present plans to allot shares. The authority will remain in force until the end of the AGM in 2020 or the close of business on 31 December 2020, whichever is earlier.

Resolution 8 is to disapply statutory pre-emption rights. Section 561 of the Act gives all shareholders the right to participate on a pro-rata basis in all issues of equity securities for cash, unless they agree that this right should be disapplied. The effect of this resolution is to empower the directors, until the conclusion of the AGM to be held in 2020 or 31 December 2020, whichever is the earlier, to allot equity securities for cash, without first offering them on a pro-rata basis to existing shareholders, but only up to a maximum nominal amount of £21,354, representing approximately 10% of the ordinary shares in issue at 14 November 2019. In addition, the resolution empowers the directors to deal with fractional entitlements and any practical problems arising in any overseas territory on any offer made on a pro-rata basis. The directors consider that it is appropriate for this authority and these powers to be granted to preserve maximum flexibility for the future. The authority will remain in force until the end of the AGM in 2020 or the close of business on 31 December 2020, whichever is earlier.

Resolution 9 is to enable the company to buy back its own shares in the market. The board considers it desirable to have the general authority to do this in order to provide maximum flexibility in the management of the group's capital resources. However, the authority would only be used if the board was satisfied at the time that to do so would be in the interests of shareholders and would lead to an increase in the group's earnings per share. The authority would be restricted to a maximum of 2,135,417 ordinary shares (being approximately equal to 10% of the ordinary shares in issue at 14 November 2019). At 14 November 2019 there were no options or warrants over ordinary shares outstanding. Under the Act, the company may hold any shares bought back in treasury, which may then either be sold for cash, transferred for the purposes of an employees' share scheme (subject, if necessary, to approval by shareholders at a general meeting) or cancelled. The company, therefore, has the choice of either cancelling or holding in treasury any of its shares which it purchases. The authority will remain in force until the end of the AGM in 2020 or the close of business on 31 December 2020, whichever is earlier.

Administrative Notes

1. Attending the Annual General Meeting in person If you wish to attend the Annual General Meeting in person, you should arrive at the venue for the Annual General Meeting in good time to allow your attendance to be registered. It is advisable to have some form of identification with you as you may be asked to provide evidence of your identity to the company's registrar, Neville Registrars, Neville House, Steelpark Road, Halesowen B62 8HD (the "Registrar"), prior to being admitted to the Annual General Meeting. It would be helpful if you could let the company secretary know in advance, at the registered office, of your intention to attend to ensure sufficient seating is provided.

2. Appointment of proxies Members are entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the Annual General Meeting. A proxy need not be a member of the company but must attend the Annual General Meeting to represent a member. To be a valid appointment, a proxy must be appointed using the procedures set out in these notes and in the notes to the accompanying Form of Proxy. If members wish their proxy to speak on their behalf at the meeting, members will need to appoint their own choice of proxy (not the chairman of the Annual General Meeting) and give their instructions directly to them. A member may instruct their proxy to abstain from voting on any resolution to be considered at the Annual General Meeting by marking the 'Vote Withheld' option when appointing their proxy. It should be noted that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes 'For' or 'Against' the resolution. The appointment of a proxy will not prevent a member from attending the Annual General Meeting and voting in person if they wish. A person who is not a member of the company but who has been nominated by a member to enjoy information rights does not have a right to appoint any proxies under the procedures set out in these notes and should read note 9 below.

3. Appointment of a proxy using a Form of Proxy A Form of Proxy for use in connection with the Annual General Meeting is enclosed. To be valid, a Form of Proxy or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the registrar, Neville Registrars, at Neville House, Steelpark Road, Halesowen B62 8HD no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting. If you do not have a Form of Proxy and believe that you should have one, or you require additional Forms of Proxy, please contact the registrar.

4. Appointment of a proxy through CREST CREST members who wish to appoint a proxy through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the registrar ID 7RA11 no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy instructions

5. Appointment of proxy by joint holders In the case of joint holders, where more than one of the joint holders purports to appoint one or more proxies, only the appointment submitted by the most senior holder will be accepted. Seniority shall be determined by the order in which the names of the joint holders stand in the company's register of members in respect of the joint holding.

6. Corporate representatives Any corporation which is a member can appoint one or more corporate representatives. Members can only appoint more than one corporate representative where each corporate representative is appointed to exercise rights attached to different shares. Members cannot appoint more than one corporate representative to exercise the rights attached to the same share(s).

7. Entitlement to attend and vote To be entitled to attend and vote at the Annual General Meeting (and for the purpose of determining the votes they may cast), members must be registered in the company's register of members at 10:00 am on 10 December 2019 (or, if the Annual General Meeting is adjourned, at 10:00 am on the day two days (excluding non-working days) prior to the adjourned meeting). Changes to the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the Annual General Meeting.

8. Votes to be taken by a poll At the Annual General Meeting all votes will be taken by a poll rather than on a show of hands. It is intended that the results of the poll votes will be announced to the London Stock Exchange by 6.00 p.m. on 13 December 2019. This will be in terms of whether the votes were passed or otherwise rather than announcing the number or percentage of votes for or against a resolution. Poll cards will be issued on registration to those attending the Annual General Meeting.

9. Nominated persons Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the "Act") to enjoy information rights (a "nominated person") may, under an agreement between them and the member by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a nominated person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

10. 12. Notification of shareholdings Any person holding 3% or more of the total voting rights of the company who appoints a person other than the chairman of the Annual General Meeting as their proxy will need to ensure that both they, and their proxy, comply with their respective disclosure obligations under the Disclosure Rules and Transparency Rules.

(a) require the company to give notice of any resolution which can properly be, and is to be, moved at the Annual General Meeting pursuant to section 338 of the Act; and/or

(b) include a matter in the business to be dealt with at the Annual General Meeting, pursuant to section 338A of the Act.

14. Further questions and communication Under section 319A of the Act, the company must cause to be answered any question relating to the business being dealt with at the Annual General Meeting put by a member attending the meeting unless answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or the answer has already been given on a website in the form of an answer to a question, or it is undesirable in the interests of the company or the good order of the meeting that the question be answered.
